Name Rally Committee To Head Plan For New Rooting Section

Four Girls Will Assist Gilbert, Henry Lead Yells

"Directed by the new rally committe that was appointed this week, a new plan will be used for the rooting sections for the Riverside and future football games," Claude Owens, chairman, said today.

The plan was first discussed at the Executive board meeting held early this week. The suggestion was made that two rooting sections be formed; one to be composed of girls and one of boys. It will be made up entirely of students of the junior college.

Name Committee

The members of the newly appointed rally committee are Bob Scharm, Jack Hawkins, Otto Grigg, Lucian Wilson, Jack Pegues, John MacFarlane, Kenny Vandruff, Ray St. Clair, Ryverz Allen, and Harold Lutes.

The new girl yell leaders, Eleanor Boyer, Jane Crawford, Barbara Dunton, and Georgina Irvin will be present at the game to assist in leading the yells. These girls have chosen their uniforms for the season which will consist of white shirts, black skirts, red vests, and the official college "beanies."

FROSH STUDENTS DISCARD BEANIES

Terminating their period of "beanie wearing," freshmen of Santa Ana junior college were defendants at the annual Kangaroo court held in the gym this week.

Those freshman who had broken the rules as set down by the Executive board were punished by having to perform antics before the assembled student body.

Robert Tannenbaum acted as judge of the tribunal. Otto Grigg and Claude Owens were attorneys for the prosecution and defense. The jury consisted of members of the men and women service clubs. Kenneth Vandruff was court clerk.

Approximately 25 frosh were called before "Judge" Tannenbaum and found guilty as charged.

FORUM DRAWS J.C. FACULTY, STUDENTS

Many students and faculty members attended the Orange County Forum meeting this week at Fullerton Union high school. Lawrence Dennis was the principal speaker of the evening. "Is Capitalism Doomed?" was his topic.

Last night a discussion was held on Mr. Dennis' speech at the Music hall in Fullerton. All sides of the subject were presented by eminent lecturers and the members.

A special low rate of 25 cents for the Forum lecture has been arranged for students.

EVENTFUL YEAR PLANNED FOR LANGUAGE GROUPS

All students interested in joining a language club should see Lella B. Watson, advisor of the French club, as soon as possible.

Although definite plans for the first meeting have not yet been arranged, a meeting will be held within the next two weeks, according to Everard Stovall, president of the French club.

The language clubs promise an interesting year of activities to all language students.

Pep Rally To Be Held On College Lawn This Noon

Meeting for the purpose of rehearsing yells and boosting enthusiasm for the football game tomorrow, students will gather on the lawn in front of College hall this noon, according to "Gus" Gilbert, yell king.

"The rally will be short if the grass is wet and will be called off entirely if it is raining," said Gilbert.

Plans for the rooting section will be explained. Girl yell leaders will assist in the cheering.

Varsity Lettermen To Organize Club

Reorganization of the Varsity S club, which has been dormant for the past two years, is nearing completion under the guidance of Sammy Tucker, leading advocate for the club's "New Deal."

The club has its charter, which was received before the recent period of inactivity, and with the sanction of both Dean McKee Fisk and the college executive board, Tucker is going ahead with plans for new members.

All varsity letter winners are eligible for membership, he stated, but the group is restricted to those securing a majority vote of the members.

The purpose of the club is to bring the lettermen into a closely knit unit with the idea of keeping Santa Ana's athletes at an even higher standard than they have enjoyed in the past.

The club expects to be actively functioning within two weeks.

A. W. S. And W. A. A. Will Meet At Laguna

Headquarters for the annual fall conference of the Associated Women Students and the Women's Athletic association of the Southern California junior colleges will be at the Hotel Laguna in Laguna Beach.

The conference opens this afternoon with a reception on the beach. A formal banquet will be held later in the evening. The Saturday program will be held on the Fullerton junior college campus at 10:30 a. m. with a general assembly.

Mrs. Eleanor Northcross, Miss Zena Leck, Janet Diehl, Barbara Crawford, Yetive Blank, and Jane Crawford will attend from Santa Ana.

Soph - Frosh Dance Postponed; Unusual Effect Is Promised

Postponed until Saturday night, Nov. 3, the Soph-Frosh dance will be a semi-formal program dance, the first dance beginning at 9 p.m.

It will be held at the American Legion hall in Santa Ana. Although arrangements for the orchestra have been made, its identity will be witheld until the dance.

"Decorations, entertainment, and refreshments will be as strikingly different from those of former years as it is possible to make them," stated Glenn Bishop, sophomore class president in charge.

Tickets will be free to freshman Associated students, and 50 cents a couple to sophomore Associated students. To all who are not Associated students, 25 cents per person will be added.

Outsiders may attend for 50 cents providing one of the couple goes to S. A. J. C. Those wishing to take an outside person must make their requests before the executive board, which meets Monday afternoons at 3:30.

Band Makes First Public Appearance

Appearing for the first time since its organization, the jaysee band under the direction of Instructor Leland Auer provided music for the football game between Santa Ana and Pomona.

With it's public appearence the band served notice that for the first time, Santa Ana will have a musical unit that it can well be proud of. The band will appear at all of the home games and will travel to many of those played elsewhere.

"There are still some vacancies in the band," stated Mr. Auer," and I will welcome any student who can play an instrument to join up with us".

Forensic Mentors To Select Question

Forensic coaches of the junior college conference are devoting this week to the selection of a debate question for the league season, which opens in December.

The three questions which have been proposed are:

"Resolved that the federal government should adopt the policy of equalizing educational opportunities throughout the nation by means of annual grants to the several states for public, elementary, and secondary education."

"Resolved that the Townsend plan of old age pension should be adopted by the federal government."

"Resolved that the federal government should immediately adopt a plan of compulsory unemployment insurance."

Club Presidents Meet; Complete Program For Student Activities

State Cops To Escort Don Rooters To Riverside

Led by state policemen, cars from Santa Ana junior college will travel in a caravan to the Riverside football game tomorrow.

Students wishing their cars decorated will meet on Bush street behind the school at 11:30 a. m. Others will meet at the same place at 12:30, when the procession will leave.

"We request that all Don rooters go in the caravan," said Claude Owens, rally committee chairman.

Conkle To Advise Post Grad Class

Miss Etta Conkle, chemistry instructor, was recently appointed adviser of the newly organized post-graduate class. She took up the duties of that position at the first executive board meeting held yesterday.

"The first aim of the group is official recognition as a class", stated Ray St. Clair, president. "The post-graduate class has been created along the lines of the other two classes, and all students who are registered as post graduates automatically belong to the organization," he continued.

Only those who have received a diploma may be members, since students returning for their fifth or even sixth semester are still classed as sophomores until they have been graduated.

St. Clair stressed the fact that the primary purpose of the group is service to the school rather than social activity. Associated student tickets are not necesary for membership in the class.

To Finish New Home Of Music Department

Barring unforeseen hindrances, the new junior college music building should be ready for use next week, according to the foreman of the construction gang working on the project.

Facing north on the parking lot just back of the Board of Education building, its proximity and ease of access is convenient for teachers and students.

The site at first selected for the new building, the lot directly in front of the Y bungalows on Main street, will probably be landscaped. Plans are now under consideration for this undertaking.

Rally Committee, Club Sports Tourney Inaugurated

Plans for many student functions were completed at a meeting of club presidents held Tuesday evening in the gym.

Among the many functions discussed and planned were the following:

1. Organization of a committee under the direction of Claude Owens, chairman.
2. The Gauchos, under the leadership of Kenneth Vandruff, will install a radio in the men's lounge.
3. The success of the annual soph-frosh dance will be determined by the pre-sale of tickets. If the pre-sale is satisfactory a good dance will be assured.

Tickets Required

4. While the purchasing of Associated student tickets is optional to students, it was agreed as a policy to make it a requirement for club membership.
5. An inter-club sports tourney will be held. Claude Owens will be in charge of the men's sports which will include indoor, handball, basketball, and touch football. Yetive Blank will have charge of the women's sports, including badminton, indoor, tennis, and basketball. While no dates were definitely set the games and matches will probably be held on Mondays and Fridays.
6. On Nov. 6, a men's assembly will be held in the college gym.

DONS MAY COMPETE IN POSTER CONTEST

Students who posses artistic ability have a chance to earn money by displaying their skill in the American Red Cross poster contest for junior college and high school students, according to F. A. Henderson, city superintendent of schools.

Cash prizes will be given each of the first four winners. First prize will be $6; second, $4; third, $2; and $1 for the fourth best poster.

The contest, sponsored by the local Red Cross chapter, ends November 9.

GLENN WILL ADDRESS JAYSEE CONFERENCE

Thomas H. Glenn, head of the English department at Santa Ana junior college, will be a featured speaker at the annual fall meeting of the Southern California Junior College association to be held on the U. S. C. campus tomorrow.

Mr. Glenn will speak on the "Integration of English with Foreign Language." He will address the modern language department.

The general topic for this section will be, "The Modern Language Teacher's Obligation to the Citizen of Tomorrow."

APPOINT KENNETH HUNT AS EL DON FEATURE EDITOR

That Kenneth Hunt will take the place of Jane Crawford as feature editor of El Don was the announcement made today by John H. McCoy, journalism instructor.

Miss Crawford was forced to resign the El Don post due to her duties as social commissioner for the Associated students.

The revised staff includes Fredda Sawtelle, editor-in-chief; Marvin Spicer, sports editor; Kenneth Hunt, feature editor; Walter Bandick, circulation; and John Rabe, advertising.

Record Enrollment Claimed For Music Dept.

* * *

More students in Santa Ana junior college are registered for the 15 courses offered in the music department than at any time in the history of the institution, according to Miss Myrtle Martin, head of the department.

"Almost 200 of the 637 students registered in the college are enrolled in these classes. Every course required in any college for a music major is offered here," stated Miss Martin.

The three instructors who supervise the work done in the department and teach the various classes are well known in Orange county for their previous experience as well as their records in the college here.

* * *

Leland Auer, new to Santa Ana this year, is a graduate of the University of Southern California and has taught at that university for the past two years. He was also an instructor at Woodbury college from 1931 to 1934.

Miss Myrtle Martin is the head of the department and has also taught at El Centro high school and junior college and at Inglewood high school. She was previousiy a student at Montana university, Cumnock School of Music, and the University of California at Los Angeles.

* * *

Alan Revill has been a student of College of Preceptors, Hastings, Eng., Royal College of Music, London, John Abrams, Thilo Becker, Horatio Cogswell, Carolyn Alchin, Pomona college, and the University of Southern California.

The music subjects taught at Santa Ana jaysee include band and orchestra, beginning piano, intermediate piano, beginning harmoy, advanced harmony, musicianship, beginning voice, advanced voice, women's chorus, men's chorus, A cappella choir, music history and appreciation, men's quartet, and women's octet.

About Assemblies

What is an assembly? Many times we have wondered just what an assembly program is for. When students first enter jaysee, they generally go to assemblies for one purpose, that of being entertained. They don't stop to think an assembly might be for an instructive and educational period.

Many times we have said and many more times we have heard the exclamation, "That assembly was terrible." True enough, the program may or may not have been up to standard, but in criticizing, one should first consider the question; "Could I have done better if I had planned the assembly myself?" Many of us would answer "Yes", but it is not an easy task to plan an interesting program and have it "click" as others have discovered that have had the privilege of trying.

There are so many things to be considered in arranging any college meeting—the students, the faculty, the occasion, and many others too numerous to mention.

If in the future you disapprove of a college program and find it uninteresting, just ask yourself, "Could I have done better myself?"

We feel that if properly considered, you will find that planning an assembly is a difficult job and that it is hard to please everybody. Take your complaints to the Executive Board. They will be glad to try and give you the kind of a program you want.

It is easy to criticize, but difficult to be constructive. So let's try to cooperate and work with, instead of against, the assembly committee.

Down Editorial Alley

By Jack Pegues

The Trojan Downfall

Variations from the usual diatribe are in order today. The "state of the nation" gives way to an affair of greater moment—especially the off-key editorial sally, of the University of Southern California Daily Trojan, branding Troy football warriors "toys of henna-haired film beauties."

The Daily Trojan editorial, reported written by editor Jack Frankish and published the morning after the team left for Pittsburg, was especially bitter over the 19-0 drubbing administed by Washington State, Oct. 6. The editor wrote:

"It marked the victory of a team that plays football for the game's sake over a team of Hollywood-struck boys who once knew how to play football, but having been persuaded that they are really All-Americans, now only go through the motions. The handwriting has been on the wall a long time."

* * *

So What?

Sure, Hollywood likes its Trojan football heroes. So what? The situation is not new. Henna-haired flicker beauties have been feting U. S. C. gridders for 10 years, and during that period Troy has built one of the greatest victory records in the nation.

Disciples of the great Trojan head-man, Howard Harding Jones, to find their places in football's mythical hall of fame have been legion. Names of Morley Drury, Gus Shaver, Erny Pinkert, Jim Musick, Erny Smith, Arron "Rosq" Rosenberg, Orv Mohler, and today's platinum-crowned sensation, Irvine "Cotton" Warburton, are not easily forgotten. And all this in spite of the insidious inuence of Hollywood.

Another query hard to answer is: why did the Daily Trojan hold the editorial until after the team's departure for Pittsburg? And what part did Howard Jones play in the quaint drama?

* * *

Did Jones Know?

When the Trojans de-trained at Kansas City, Mo., Thursday morning, Jones had a copy of the paper in his pocket, it is said. He read the editorial to the squad, and then followed with an eight-cylinder, extemporaneous outburst of his own.

This stirred the boys into the purple ferment that was to "make them forget the false friendship of Hollywood" and carry them to a surprise victory over Pitt.

It is certain that the Pony Express never got that paper to the headman!

However, if the editorial got

TOMMY'S TATTLIN'S

By Gus Gilbert

Yes, my children, well do I remember that evening away back in 1934 when "Red" Baxter was sent onto the gridiron by Coach Cook and in his anxiety to tear those Cossacks apart he stumbled and rolled the last 20 feet into the arms of the umpire. I laughed so hard that I couldn't stand steady enough to sharpen my broken pencil.

Rumbling of many hoofs over ground packed by the stamp of numberless battles sounds the coming of the bandit Rico, dictator of most any belligerent South American Republic.

If it is possible to believe what the fictitious Rico says of his people one can in some measure understand the underlying meaning of present-day guerilla warfare among nations of the triangle continent, which seems to be the main purpose of this novel, aside from the thrilling romance that one may enjoy while reading the volume.

Aim Of Jaysee Campus Clubs Explained By El Don Scribe

By Farla Nell Clayton

Associated Women Students

The organization of the Associated Women Students is comprised of every woman in school. The purpose is to encourage friendship and to promote cooperation among the women of this college. The organization is of a social nature, also. Their faculty adviser is Mrs. Eleanor Northcross.

American Association of Engineers

The purpose of the A. A. E., American Association of Engineers is not primarily social or school service, but as a service to the engineering students individually. They are to be made acquainted with things not attainable through the school curricula. The individual project work is shown at the annual engineering show.

Y. M. C. A.

The Y. M. C. A. in the junior college endeavors to create a closer union between the students and the faculty and to accomplish these five purposes: to lead students to faith through the teaching of the Bible and its messages; to promote their growth in Christian faith and character; to stimulate their interests in world brotherhood; to promote Christian fellowship among the students; and to help them face life's problems in a Christian way.

Y. W. C. A.

Women belonging to service clubs may also belong to the Y. W. C. A. Service clubs alternating meetings with the Y. W. enable every woman to enjoy this organization.

Traditional affairs include a week-end retreat each semester, the Y. M.-Y. W. Mixer at the opening of school, Y. M.-Y. W. assemblies, "Y" day, and the Asilomar conference in June. The service group conducts the sale of second-hand text books in fall and spring.

Alpha Gamma Sigma

The Honor Society was formed in 1923 to give recognition to students who achieve high standards of scholarship. Permanent membership is granted only to those who average thirty grade points with no less than "C" for each of three semesters. On graduation, the permanent members receive official certificates recognizing their achievements.

Phi Theta Kappa

The Santa Ana chapter, Alpha Beta, of the Phi Theta Kappa was the first to be granted in California. It is a national honorary society, resembling the Phi Theta Kappa of four year institutions.

Requirements for election to Phi Theta Kappa are an average of 2.5 grade points per unit of work for one semester, or an average of two grade points per unit of work for two consecutive semesters. Election is by the faculty of the college.

Beta Gamma

Beta Gamma membership is considered one of the highest honors offered at Santa Ana junior college. Qualifications for membership in this society come through student participation in extra-curricular activities.

During the past years the society has accomplished its desire to reward an outstanding student at commencement. A cash prize of twenty-five dollars is presented the student considered highest in ability, leadership and activity.

Here 'n There In Radio

By Jack McCarty

Jack Benny has changed sponsors and will come to local radio fandom at 8:30 p. m. Sundays. He reaches the air via KFI and the NBC network. Also, if you are interested in absolutely crazy, meaningless, goofy comedy, we suggest that nut of all nuts Joe Cook. Appearing on the program with Joe are Frances Langford, Don Voorhees and his band, and last but not least, the California star, Donald Novis. This program is on Mondays at 6:30 via KFI.

Needs New Talent

Seems to me that Al Pierce would be doing himself a big favor if he would get some new and different talent. A little new material would do his program more good than harm. Hollywood Hotel, starring Dick Powell and Ted Fio Rito and his entertainers, sponsored by the Campbell Soup Co., is really going over in a big way. The fan mail is already wilting the professional correspondents of the program. This hits the air at 6:30 Fridays over KHJ, Coast to Coast.

Did You Know

That Everett Hoagland and his orchestra are going on a tour to Hawaii before long?

That Dean Benton, former jaysee student and Bachelor may go with him as vocalist. He also has an offer to sing with Jay Whidden at the Miramar.

Dons To Clash With Tigers At Riverside

Spice Of Sport

By Marvin Spicer

As the Sherman Institute is located at Riverside Don gridmen will not be surprised if they run up against an occassional redskin in tomorrow's fracas. But when being tackled it may be novel to hear the Indian say, "Why don't you c'mup and see me sometime?" instead of his usual "ugh".

Mae West in search of Vanishing Americans to be used in her next show, visited the Institute. After delighting the inhabitants with her famous strut she picked Earl Gould and Joe Choree as prospective leading men. Gould plays right tackle for the Bengals while Choree is a reserve.

Citrus Again Kicks Dope Bucket

Apparently Citrus is off to another year of providing the upsets in the Eastern conference. Saturday the Owls took to the air and stumped Riverside 20-6. Last year it will be recalled that Coach Al Clayes men handed the Dons their only defeat to the tune of 7-6.

* * *

Farming System OK With Cards

At first glance it seems that my series prediction of the Cards winning in five games laid an egg. But on further thought it will be found that St. Louis went even farther and won the classic in four.

The Cardinal chain system had a good year all around. The Columbus Red Birds won the second half of the American Association race and beat the Minneapolis Millers in the play off. It is easy to see why St. Louis has had such good teams since the installation of the farming system.

Did You Know That—

Rudy Holman's first name is really Ruby? The Don ace miler thought the original too effeminate so he changed it when entering jaysee last year. Clair Preininger has sweated off 10 pounds since football started at the University of Arizona. Incidently "Handsome" had the hardest name to spell of any of last year's athletes. This year the vote goes to Kroener and Errecarte.

Ping Pong Tourney Draws 30 Hopefuls

Thirty men have signed up for the ping pong tourney that is being sponsored by the sports department of El Don, it was announced by those in charge of the pairing for the event.

Pairings will be posted on the bulletin board as soon as they are compiled. Those men who draw byes for the first week's play will have no opponent until the result of the other match in their bracket is known.

It is requested that all results be posted on the board in the place provided by either member of the match so that the pairings will carry themselves along after the first ones are announced.

It is hoped that the cooperation of every man who signed up will be obtained.

Ventura Jaysee furnishes free text books to college students. That's another idea we could go for in a big way!

Bill Cook Looks For Bengals To Show Old Power

Perinich May Be Used At Right Half

Shaken after their first half scare from Pomona, Santa Ana champions journey upland to attempt to beard the Riverside Tiger in his den tomorrow.

Despite their 26-0 upset at the hands of the Citrus Owl, Riverside will offer the Dons all the competition they want because tomorrow's game is to be "do or die" for Coach Jesse Mortensen's Bengals. If the Tigers drop this contest they will be definitely out of the 1934 race.

Bengals Below Par

When asked what he thought of Riverside's last showing, Coach Bill Cook replied:

"Although the Owls played good ball, I firmly believe that the Riverside team lost to Citrus was decidedly off form in comparison with the team that walloped the U. C. L. A. freshmen 46-0."

Cook looks for the Bengals to show a complete reversal of form in tomorrow's encounter.

Leading the Riverside aggregation is Captain Clarence Ross, a bruising fullback who smashed the Bruin frosh line to pieces. Skippering the eleven at quarter is George Estrada, an Indian freshman who teams with Ross to do most of the mail carrying.

Rounding out the backfield will be Williams at left half and Zangley at right half.

Tiger Line Strong

At ends Coach Mortensen has two sweet defensive men in Zeke Vignary and Ab Moore. Gould and Kusanovich are slated to open at tackle. Gould is especially strong on the offense as demonstrated by his play in the U. C. L. A. freshman game.

The guard positions are taken care of by two Scotch brothers. McDonald and McDonald are the bonnie lads. Yount will probably be the Tigers starting center.

Regulars To Start

Coach Cook plans to start his regulars at the opening gun. The forward wall will be represented by "Big Ben" Slavin and Paul Perinich, ends, a combination that is universally considered nonpareil as a defensive duo. Miles Norton and Harold Lundblade are slated for tackles. Guards will be the two 165-pounders, Sammy Tucker and Loren Lukens.

The fast improving Charlie Roemer will again get the call at the pivot position.

Bob Mitchell will lead the Four Horsemen at quarter. "Deacon" Phipps and Walt Hickman are scheduled for halves with Wilburn Anderson rounding out the quartette at full.

Perinich To Half

During the week Coach Cook has been experimenting with Perinich at right half. This enables Cook to have a capable alternate for Phipps and in addition Walt Gunther can be brought into use for his pass snatching act.

Lack Of Mat May Cause Wrestling Death In Jaysee

Calvin Flint, wrestling coach at Santa Ana jaysee, has the finest prospective wrestling team in the school's history yet the absence of a suitable mat for workouts may put an end to the sport this year.

Flint and a few of the prospective wrestling candidates conferred with Dean Fisk and report some progress. The present plan is to secure a second hand mat, at a big reduction in cost, thus eliminating the money angle, and have the mat put into first class shape.

According to Flint the plan sounds good and if carried out should place everything in readiness for the opening of wrestling practice next week.

Junior High Court Secured For Women

Tennis for women—recently believed passe in jaysee—has been led out of the darkness into the light by the generosity of Frances Willard junior high.

It was generally conceded that because of the lack of courts the maidens would have to seek their love matches elsewhere.

With the donation of the Willard courts, tennis practice will now be held from 3:30 to 4:30 on Tuesdays and Thursdays.

Swimming and badminton practice will be held at 2 30 on Tuesdays and Thursdays. Formerly the two sports were slated for 3:0 on the same days.

Dons Stage Second Half Rally To Win

Snapping out of their lethargic condition after being held scoreless for the first two frames, the Santa Ana college Dons opened their '34 conference season with a 19-3 win registered over the plucky Pomonans who fought the locals to a deadlock for the first half.

Pomona's three point lead came in the second quarter when Wes Farrell booted the sphere between the uprights for a beautiful field goal.

The locals scored twice in the third canto when Bob Mitchell and Wilburn Anderson both registered fine runs to score their tallys standing.

In the fourth quarter Dick Moore, Huntington beach flash, eluded two would-be tacklers to score. He crossed from the 16-yard line after helping place the ball in scoring position.

Loren Lukens played a bang-up game at his right guard position. He recovered the Pomona fumble that was directly responsible for the Dons' second score.

The whole line functioned as a unit during the second half of the tussle, but it took them 30 minutes to get warm.

Western Division Favorites Advance

Quite the contrary to her sister conference the Western junior college conference favorites managed to keep the dope bucket upright in first round fiascos.

Glendale's 15-7 victory over the strong Long Beach Vikings boosts them to a contenders position. Pasadena eked a 6-2 win over a scrappy Santa Monica eleven while Los Angeles, last year's conference champ, beating Ventura 13-6.

Compton's Tarters had a bye in the first round.

GRIDLITE

BOB MITCHELL — erstwhile Saint gridiron great now wreaks havoc for the Dons in the quarterback spot. . . . . Tips the Toledos at 187 consistently . . . Bob's first love is football, baseball next in line. Plans to go to Cal at Berkeley (This is getting to be a habit with the boys) next year. . . A major in commerce is his ambition and Suth'n style fried chicken his favorite food. . . . Quoth Bob, "I like best to eat and sleep—but a loafer has no place on the football field."

Next week—Loren Lukens.

Conference Race Closest In Late Years, Says Cook

By John Rabe

Declaring that this conference race is the wildest that it has been since he came to the local institution, Coach Bill Cook is grooming his Padres for the coming league tussle with Riverside tomorrow Despite the fact that the inlanders lost their first league scrap Cook believes that they will show fight on their home field.

According to Cook, who wishes to blast the theory that the Dons are in better form than when they won the title last year, it will be a wide open race with no team finishing with less than one loss on the scoreboard. Even the teams to win the title will have a loss on their side of the board.

If the Dons can play the whole game as they played the last half against Pomona they should go a long way towards the championship.

Riverside is as good a club as there is in the league and the fact that an off-form team lost the first game should not make the Dons a winner.

Aside from Pomona who is laboring under a new coach and system, all the teams are in the race. Pomona has a better team than she boasted last year and all credit should go to Roy Riegels and his method of coaching the aspiring greats.

Cook bemoans the loss of Welty as his best quarterback. Anderson is doing his best to fill the shoes that the all-conference quarter left open, but his feet aren't quite large enough.

Grid Contest Waxes Hot As Season Grows

Nation Wide Balloting Gets All Stars

With football season rapidly rolling on to a high pitch of national interest, balloting throughout the nation in the only all-student All-American Football contest ever conducted in the United States is bringing further proof of the fact that professional grid teams will never capture the limelight now held by intercollegiate football, officials of Collegiate Digest indicated today.

In the contest being sponsored by El Don and the Digest, students of Santa Ana jaysee will have an opportunity to express their choices in the contest by merely filling out the blank on page 8 of this week's issue of the Digest and leaving it in El Don's mail box in the college office.

The only rules relative to the contest are that no student may send in more than one complete team selections each week.

Women's Athletic Association

All athletic activities for women are carried on through the Women's Athletic Association. The organization, also, conducts many social affairs, dances, spreads, teas, and many other functions. All the major women's sports are contained in the athletic year. It is the purpose of the W. A. A. to build up fine friendships, good character and sportsmanship.

Alpha Rho Tau,

Alpha Rho Tau, an art society, was organized for the purpose of creating a greater interest in the fields of modern art. Membership is elective and is limited to the decision of the active members. Those wishing to join Alpha Rho Tau should show a true interest in all fields of art and a desire to cooperate in all college activities.

Tavern Tattlers

The Tavern Tattlers, jaysee students interested in literature, meet in the college library to discuss literary works, give reviews of interesting books, and read their own original writings. Through the annual publication of the Tavern Post, which contains only original work of students, the club endeavors to foster an active creative interest in literature, both current and classical, American and foreign.

Phi Rho Pi

Phi Rho Pi is the national honorary society for the advancement and the perfection of the art of speech. The local Zeta chapter was granted its charter in May, 1931. California Zeta visits a number of neighboring chapters, participates in initiation ceremonies, and sends delegates to the district convention at Pasadena in February.

O. K. Club

Created for purely social reasons, the O. K. club has developed into one of the school's most prominent service clubs. The initials O. K. stand for "Orphan Kiddies". Perhaps the most important event sponsored by this organization is the anual Beard Growing contest, held in connection with Fiesta Day.

Press Club

Journalists and non-journalists are all cordially received in to the Press club, if they pledge themselves to all the activities of the club. Immediately following Freshman Days, an open invitation to join this group will be extended to all contributors to the Tavern Post, El Don, Del Ano and other college publications, and to all others who are interested in journalism.

L'Hotel de Rambouillet

The French club, the oldest organization of the college, has held a place of prestige in Santa Ana junior college since 1917. The purpose of the club is to encourage the members to speak French more fluently and to acquire a sympathetic understanding of the people and an interest in the history of France.

El Club Cervantes

The Spanish club was organized in 1923 by students then taking Spanish. The aims of the organization are: to provide an opportunity and to foster interest in speaking conversational Spanish, to add, in addition to what is learned in the classroom, further knowledge of the customs and life of Spanish speaking countries, and to give the members of El Club Cervantes contacts with people who speak Spanish fluently.

German Club

The German club has endeavored to give German students a finer knowledge of the arts and language and the customs of the German people. The club is one of the oldest organizations on the campus. Frequent meetings are held in the home of Miss Watson or in the homes of the members. Occasionally the club attends the German cinema and play productions.

Troy's dander up, the condition was momentary. It did not make the team any better, and there will be a lot of fans quit paying to see the boys take their week-end workout because of it.

Campus Clubs Start Social Season

Gilbert To Head Press Club This Year

Officers for the coming year were elected by the members of the Press club that met last week in the home of Mr. and Mrs. John H. McCoy at 411 West Camille. "Gus" Gilbert was elected president, Fredda Sawtelle, vice-president and Farla Nell Clayton, secretary-treasurer.

Possibilities of joining Beta Gamma, the Junior college division of Alpha Phi Gamma, National college fraternity were discussed.

Kenneth Hunt, Farla Nell Clayton and "Gus" Gilbert will have charge of publishing the Student Directory which will be distributed to the Associated Students early in November.

Y. M. C. A. Membership Campaign Opened

Clarence Compton, president of the Y. M. C. A., announced today that a campaign for new members was inaugurated this week by his organization.

The Y. M. C. A. offers a well rounded program, and its members claim many of the prominent men in Santa Ana junior college, said Compton. Compton expects all those interested in joining this organization to come to the regular "Y" meeting to be held Monday, Oct. 22, in the men's lounge at 7 p. m.

Spinsters To Hold Rush Party

Completing plans for a rush party to be held Saturday morning at the home of Barbara Dunton, members of the Sisterhood of Spinsters met at the home of Eleanor Bowyer in Orange Monday night.

Committees for the affair are as follows: Medora Smith and Janet Diehl, place cards; Barbara Dunton and Lucille Cook, entertainment; Katherine Sexton, Medora Smith, and Dorothy Spicer, refreshments.

W. A. A. Housewarming Held Monday Night

Amid Hallowe'en decorations of pumpkins, corn stocks, and black cats, members of the W. A. A. enjoyed themselves at the housewarming held Wednesday night in the girls' gym.

Responsible for the success of the affair were Yetive Blank, Barbara Dunton, Marjorie Lauderbach, Mary Wallace, Jane Crawford, Mary Lou McFarland, Doris Rockwell, Lucille Griset, and Miss Zena Leck, adviser.

Los Gauchos Reveal Pledge List

Ten pledges received the orders and emblems of Los Gauchos at a pledge party given Monday evening at the gym. The pledges, Nolan Hasson Asa Hoffman, Robert Kelly, Clyde Moessen, Milford Carmon, Gaylord Colle, Leo Johnson, Jack Runnells, Albert Clark, and Duncan Clark, will wear the emblem, a miniature lariat, for six weeks.

During a business meeting the club discussed plans for pledging new members throughout the semester.

Tavern Tattlers To Visit Huntington Library

Friday afternoon, Oct. 26, the Tavern Tattlers will make a trip to the Huntington library in Pasadena for the purpose of making a study of the early history of the novel. "Tickets have been arranged for and the group will spend most of the afternoon in the library," stated Mr. Thomas H. Glenn, faculty adviser.

Plans for this semester's edition of the Tavern Post which will be published in December, are also being formulated. The Tavern Post is edited by the Tattlers club, but anyone may contribute to it, according to Mr. Glenn. The book is printed in the Santa Ana junior college print shop, under the direction of Mr. Thomas E. Williams.

Alpha Rho Tau, Rushees Hold Dinner Party

Members of Alpha Rho Tau entertained their rushees with a semi-formal progressive dinner party, a few days ago.

The party of 25 gathered at the home of Betty Niedergall where the first course of the dinner was served. They then proceeded to Mildred Johnson's home, then to Medora Smith's.

The last course was served at the home of Mr. L. L. Beeman. There dancing was enjoyed the remainder of the evening.

Bachelors Pledge 12 At Owens' Home

Meeting at the home of Claude Owens, the Brotherhood of Bachelors were, hosts Monday to the following pledges: Charles Dunston, Ralph Comstock, Walter Hendrie, Tom Lacy, Bruce Martin, Dick Moore, Vernon Mansur, Vernon Koepsel, Al Markel, Pete Plumb, "Gus" Gilbert, and Frank Boyd.

After the pledging ceremony, entertainment was provided by those newly inducted into the brotherhood as "Scums".

The pledges were given instructions regarding the rules and regulations of the organization, and orders for the next meeting. With the conclusion of the entertainment, refreshments were served.

Buccaneers Announce Names of Pledges

Ten men were pledged to the Buccaneers service club at the meeting held at the home of Harold Woodard.

During the coming six weeks they will have to do all that is asked of them by their superiors. They will wear the Buccaneer insignia and a hemp rope for a belt to signify obedience to the club.

Those who took the oath were: Frank Oberlin, John Rabe, John Haskell, Jim Barber, Harold Pottorf, Charles Gard, Bob Armstrong, Sam Gosney, Bill Dolan, and Kenneth Ulrich.

First Phi Sigma Alpha Meeting Oct. 25

Next Thursday the Phi Sigma Alpha hold their initial meeting at the home of L. L. Beeman, 910 French street.

Plans will be made for the year including the appointment of a program committee. A secretary-itreasurer will also be selected. Changes in the club's constitution are to be discussed.

Approximately 15 old members and prospective new members are expected to attend the meeting.

Chit-Chat

Come on now let's spell out Santa Ana. . S—A. . by the way how did you all like our yell leading delegation? . . . the effect was there anyway if it did take SIX of them to do it . . . . the great and only JOHNNY HENDERSON was there with that campus sensation LOIS MURRAY . . . remember DON FRANK . . he used to be one of our swim stars . . he's still a star with DORIS FLIPPEN. I take it from the results seen at "ye olde game". . . and we had a section of the navy with us . . . oh no it was only DOC BATES in another of his disguises. . . did you smell the gardenias the other night? . . it happened to be KATHRYN SEXTON'S birthday and she only had a measly FOUR. . . the age did you ask? . . Well it isn't being told these days . . when the cat's away the mice do play . . seems as if after many years of being overshadowed by CAROL GILMORE '34, HAROLD YOUEL has finely succeeded in taking our own little movie queen AUDREY (Janet Gaynor) McDONALD out of circulation. . . for a while at least.

"Wild West Show right after this" . . did anyone come to see you perform OTTO? . . or did they get enough G(R)IGGLES out of you in your court reactions. . .to think that our student pres. would be so brazen as to have a girl sit on his lap right before us all. . and to think "TANNY", you were the one who reproached us just lately for mentioning the feminine sex . . . not only that but the little flapper left her imprint on the most esteemed v. p. . . pretty good work there BOWYER . . and before we forget it. . an orchid to YELL KING GUS, he had just had his teeth fixed and was still under the effects of the anesthetic when he led us in our yells at the game. . . that's real college spirit. . . could you or you do it?

QUESTION KORNER — what JC boys met some JC girls in a local peanut gallery 'n' after the show emerged together? . . I wonder too. . do you know who has been seen VERY frequently with the new idol of the gridiron, DICK MOORE . . and by the way . . is the great MAJOR'S girl-friend back in circulation? . . you guess.
